

(Presently disabling tone access for net. Disable/enable tone access by sending DTMF tones 3 2 5 from keypad.)

Davie County ARES Net Procedure.

(To begin promptly at 7:00 PM. Give your ID and disable tone at start of net.)

CQ. CQ. CQ. This is [*your call*] calling the Davie County ARES net. My name is [*your name*] and I am located in [*your location*]. This is a directed net and is the 2 meter ARES net for Davie County. All radio amateurs are invited to participate in the Davie County ARES net. An informal session will follow the regular net for those wishing to participate. Stations with emergency or priority traffic should break into the net at any time.

(pause)

This net meets weekly at 7:00 PM, Tuesday evenings on the W4NC repeater, frequency 145.47 MHz with a 100 Hz PL tone. In the event of a real or simulated failure of this repeater, net operations will shift to WB4HRR repeater, frequency 145.350MHz, also with a 100 Hz PL tone. Stations are asked to check into the net alphabetically by the first letter following the number in your call sign. Please call net control, [*your call, phonetically*], then unkey your mike to make sure you are not doubling with someone. Then give your call sign (using standard phonetics), your name, location, list any announcements or traffic and if you will secure after the formal session.

At this time let's take check-ins from any mobile stations – any mobile station Alpha thru Zulu – please call net control.

Stations 'Alpha' through 'Golf', please call [*your call*].

Stations 'Hotel' through 'November', please call net control.

Stations 'Oscar' through 'Tango', please call [*your call*].

Stations 'Uniform' through 'Zulu', please call net control.

Once again, any station 'Alpha' through 'Zulu', please call [*your call*].

(At this time, handle any announcements and then any traffic.)

Are there any more check ins for the Davie County ARES net – any station 'Alpha' thru 'Zulu'. (pause)

At this time we will hold our regularly scheduled ARES meeting. Will the Davie County EC or a representative please call Net Control?

(Standby for the meeting. Log anyone who checks in during the meeting. Then after the meeting.....)

Are there any more check ins for the Davie County ARES net? (pause) We will now conclude the formal portion of the net at [*local time*]. Net control thanks all participants for your time and attention. Those wishing to secure may do so at this time; however, stations are invited to participate in the informal session which now follows.

(Call on each station, one by one, and wing it.)

Are there any more check ins for the Davie County ARES net? (pause)

We now conclude this regularly scheduled session of the Davie County ARES net at [*local time*]. Net control thanks all stations for participating. We also thank the Forsyth Amateur Radio Club for the use of this repeater, and return the repeater back to normal amateur use. This is [*your call*]. Good Evening.

The Davie County EC is James L George **KI4BJR**. Please send reports via e-mail to jge1178391@aol.com.

Reports look like this:

Subject: DCAN Report – April 21, 2005

Net started at 7:00 PM. KI4FCP was net control.

Check-ins - 8. Stations were AG4RZ Tim, KG4ECI Dan, KG4FGC Ken, and WF4DD WFU Club station, KF4HHG Tim, KK4KK Pete, KI4FCP Jack and N4PAA Carl.

There was no traffic. There was one announcement. KG4FGC Ken announced that there would be a Basic Spotter Training class on May 10th from 7 to 9 PM in Room 202 of Wingate Hall on the Wake Forest University campus. Wingate Hall is attached to Wait Chapel, which makes it easy to find – it's the only building that looks like a church.

No Emergency Coordinators were available for the ARES meeting.

Formal session: 10 minutes. Informal session: 5 minutes. Total time: 15 minutes.
